degli Studi Sociali Guido Carli

PRIN 2022

Call for proposals

17th February 2022

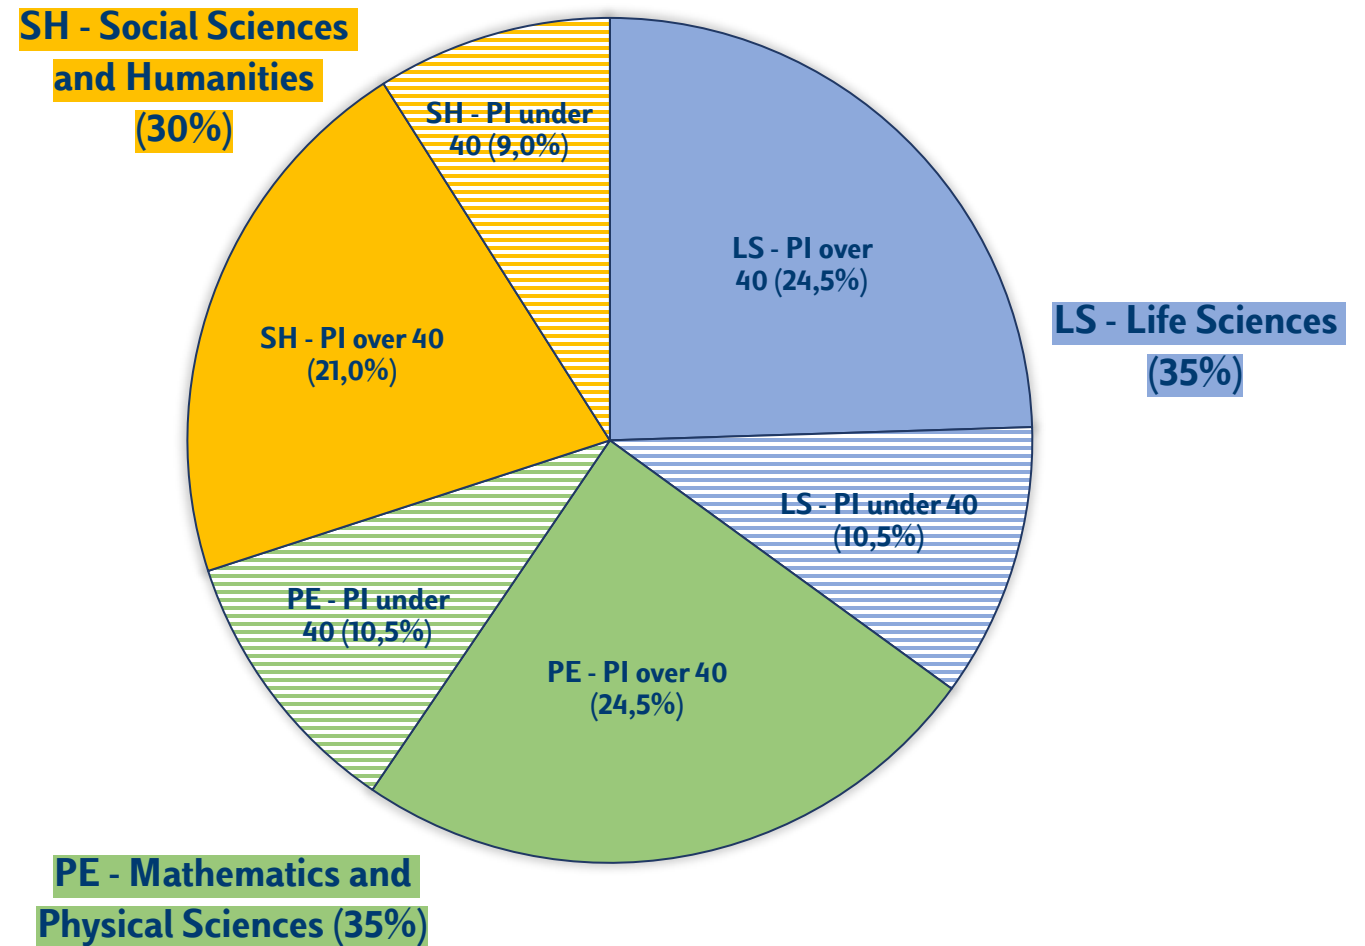

LUISS

PRIN 2022 in numbers

- Total 2022 call budget: € 741.814.509,15
(€ 222.544.352,75 for projects with PI under 40)
- Project duration: 2 years
- Total maximum cost: € 250.000 per project
(co-funding excluded)
- Research Units number: min. 2, no max

BUDGET SHARE

Who can apply? (Luiss' personnel)

Current framework / scenario	Principal Investigator (PI)	Responsible of Luiss' Research Unit	Member of Luiss' Research Unit
Full/Associate Professors (even if retiring in 2022)	√	√	√
Full/Associate Professors (part-time)	√	√	√
Full/Associate Professors on unpaid leave (<i>aspettativa senza assegni</i>)	√	√	√
Full/Associate Professors who applied/won projects on previous calls (e.g. PRIN 2017, PRIN 2020), even if the project is ongoing	√	√	√
Full/Associate Professors seconded (<i>distaccati</i>) at Luiss	√	√	√
Fixed-term Professors with contract paid on external funds (<i>Prof. Straordinari</i>)	X	X	X
RTD A-B (on Luiss' funds)	√	√	√
RTD A-B (on national/European projects' funds)	X	X	√
PhD students / Research fellows (<i>assegnisti</i>) (on Luiss' funds)	X	X	√
PhD students / Research fellows (<i>assegnisti</i>) (on national/European projects' funds)	X	X	√
Professors / Researchers with Luiss collaboration contract with Luiss (AP Research, Lecturers, Adjunct Professors, <i>Titolari di insegnamento</i> , etc.)	X	X	X

Who can join Luiss' Research Unit? (external personnel)

Current framework / scenario	Possibility to join Luiss' Research Unit
Full/Associate Professors employed by other Italian universities / research centres	√
Full/Associate Professors employed by foreign (EU/extra-EU) universities / research centres	X
RTD A-B employed by other Italian universities / research centres	X
Research fellows (<i>assegnisti</i>) / PhD students affiliated to other Italian universities / research centres	X
Professors / Researchers (AP Research, Lecturers, Adjunct Professors, <i>Titolari di insegnamento</i> , etc.) affiliated to other Italian universities / research centres	X

Can I join other Research Units? (Luiss' personnel)

Current framework / scenario	Possibility to join other Research Units
Full/Associate Professors (even if retiring in 2022)	√
Full/Associate Professors (part-time)	√
Full/Associate Professors on unpaid leave (<i>aspettativa senza assegni</i>)	√
Full/Associate Professors who applied/won projects on previous calls (e.g. PRIN 2017, PRIN 2020), even if the project is ongoing	√
Full/Associate Professors seconded (<i>distaccati</i>) at Luiss	√
Fixed-term Professors with contract paid on external funds (<i>Prof. Straordinari</i>)	X
RTD A-B (on Luiss' funds)	X
RTD A-B (on national/European projects' funds)	X
Research fellows (<i>assegnisti</i>) / PhD students (on Luiss' funds)	X
Research fellows (<i>assegnisti</i>) / PhD students (on national/European projects' funds)	X
Professors / Researchers with collaboration contract with Luiss (AP Research, Lecturers, Adjunct Professors, <i>Titolari di insegnamento</i> , etc.)	X

PRIN 2022 - Other relevant information (1)

- Regardless of the status (e.g. Full Professor, RTD, research fellow, etc.), affiliations (e.g. Professors affiliated to two different Italian universities) and role within the project, it is possible to take part in only one proposal
- No nationality/max age limit for participants, regardless of their role (PIs, Responsibles of Research Units, members of Research Units)
- Max 11 members in each Research Unit (PI / Responsible of the Research Unit + up to 10 Professors/Researchers)
- The proposal must be drafted in English (Italian version is optional) and submitted by PI / Responsible of the Research Unit (through his/her credentials, and no later than March 31st at 3pm) at loginmiur.cineca.it

PRIN 2022 - Other relevant information (2)

- Call-related documents are available at <https://prin.miur.it/>
- Over the project implementation, it is possible to change PI, Responsible of Research Unit and/or Research Unit members
- PI and his/her substitute must have a personal PEC address already at the application phase
- Projects will start 90 days after the funding admission decree (*Decreto di Ammissione al Finanziamento*), 100% funds at the beginning

Budget structure

A) Personnel costs

- A.1 - Professors and Researchers with a permanent contract (*tempo indeterminato*)
- A.2.1 - Fixed-term personnel (*tempo determinato*) to be hired on the PRIN 2022 project
- A.2.2 - Fixed-term personnel (*tempo determinato*) already hired on other funds (e.g. Luiss' or national/EU projects' funds)

B) *Spese generali* (overhead)

C) Equipment and software products

D) Advisory and similar costs

E) *Altri costi di esercizio* (other operating costs)

Budget structure - A) Personnel costs

Budget item	Description
A.1 - Professors and Researchers with a permanent contact (<i>tempo indeterminato</i>)	<ul style="list-style-type: none"> Professors / Researchers employed by Luiss Professors / Researchers employed by other Italian universities / research centres Professors / Researchers employed other Italian universities / research centres and seconded (<i>distaccati</i>) at Luiss
A.2.1 - Fixed-term personnel (<i>tempo determinato</i>) to be hired on the PRIN 2022 project	<ul style="list-style-type: none"> Researchers to be hired on a fixed-term contract following a public selection procedure (e.g. research fellows)
A.2.2 - Fixed-term personnel (<i>tempo determinato</i>) already hired on other funds	<ul style="list-style-type: none"> Researchers already hired on Luiss' funds: they can allocate their working time spent on the project, but they cannot allocate their costs to the project Researchers already hired on national/EU projects' funds: they cannot allocate neither their working time nor their costs to the project, unless an <i>addendum</i> to their current contract is implemented Researchers - already hired either on Luiss' or national/EU projects' funds - whose contract will expire during the implementation of the PRIN 2022 project, but extended by allocating its costs to the project, can allocate to the project both their working time and costs

Budget structure - B) *Spese generali*(overhead)

Budget item	Description
B) <i>Spese generali</i> (overhead)	<ul style="list-style-type: none">Flat-rate equal to the 60% of the sum of costs under A.1 (Professors and Researchers with a permanent contact) and costs under A.2.1 (Fixed-term personnel to be hired on the PRIN 2022 project - e.g. research fellows)Stationery, subscriptions, transports, insurance, maintenance of the research equipment, costs related to the publication of the selection calls, etc.

Budget structure - C) Equipment and software products

Budget item	Description
C) Equipment and software products	<ul style="list-style-type: none">Computer, softwareIt is advisable to purchase it at the beginning of the project, since equipment is subject to depreciation

Budget structure - D) Advisory and similar costs

Budget item	Description
D) Advisory and similar costs	<ul style="list-style-type: none">• Activities implemented by public/private entities that are not part of the consortium, including:<ul style="list-style-type: none">○ Scientific (or not scientific) advisory, even on an occasional basis, by people or public/private entities not belonging to the consortium○ Purchase of patents / license costs

Budget structure - E) *Altri costi di esercizio* (other operating costs)

Budget item	Description
E) <i>Altri costi di esercizio</i> (other operating costs)	<ul style="list-style-type: none">• Project-related missions in Italy or abroad• Participation in seminars, conferences, workshops in Italy or abroad (e.g. subscription, didactic material, travel and subsistence costs)• Organization in Luiss of seminars, conferences, workshops Publication of books and/or articles on scientific journals in project-related fields• Open access and open data costs• Dissemination costs (even 12 months after the project end)

PRIN 2022 evaluation criteria

Evaluation criteria		Score
1) Quality of the research project	1.1) Clarity and originality of project goals	10
	1.2) Relevance of the project with regard to the specific research area	10
	1.3) Consistency between methodology, project goals and Research Units' contribution	10
	1.4) Positioning of the project with regard to the specific research area	10
2) Quality of the research group / Feasibility and adequacy of the project	2.1) Excellence of PI, Responsibles of Research Units and of the research teams	10
	2.2) Composition and complementarity of the research teams	10
	2.3) Consistency between project goals, activities and requested funds	10
	2.4) Consistency between research members' working time, budget and tasks' timetable	10
3) Project impact	<ul style="list-style-type: none"> • Innovation • Internationalization • Dissemination of project results 	20
Total		100 (min. 75/100)
