

Call for applications for the awarding of four scholarships to students admitted with SAT or ACT certification to the first year of a bachelor's degree or single-cycle master's degree program at Luiss University for the 2023-2024 academic year

As part of its initiative to value excellent students, Luiss University is offering **four scholarships** earmarked for students with SAT or ACT certification who have submitted an application for direct admission to the first year of a bachelor's degree or single-cycle master's degree program in the 2023/2024 academic year.

The scholarships consist of a **50% partial waiver of the University's annual tuition fee** and can be renewed for the entire standard duration of the degree program.

1. Awarding of the Scholarship

Two rankings will be drawn up for the purpose of awarding the aid:

- the first ranking, which will award two partial waivers, of which one to the best of the students holding SAT certification and one to the best of the students holding ACT certification, will be for all applications submitted from 15 November 2022 to 12 noon on 31 January 2023;
- the second ranking, which will award a further two partial waivers, of which one to the best of the students holding SAT certification and one to the best of the students holding ACT certification, will be for all applications submitted from 1 February 2023 to 12 noon on 31 May 2023.

The rankings will be determined on the basis of the SAT or ACT scores in descending order irrespective of the degree program chosen. In the case of a tie, preference will be accorded to applications in the order in which they were submitted.

Any scholarships not allocated to one category may be allocated to the other.

2. Incompatibility

The aid envisaged by this competition is incompatible with other tuition fee waivers or scholarships held for any reason whatsoever, except for those awarded by Italian or foreign institutions designed to support, through periods abroad, a student's education for the academic years covered by this competition.

The scholarship will be renewed for the entire standard duration of the degree program on condition that the student, by the end of the summer exam session of the first year and subsequent years, has earned at least 70% of the education credits required under their study plan for graduation purposes and also has a weighted average grade of not less than 27/30.
