¹ During the Freshers' Week students will take part to the Learning Innovation Activities. The idea behind the project is to help students to familiarize with the new academic environment and supporting the connection between their personal and professional life. Students will develop several skills such as: teamwork, project management, communications and organizational skills, and digital skills.

² Luiss students will take a second language course of their choice in the second semester, while GU students will take an Italian course in the first semester.

³ See more details on the thesis section below.

Important Rules

- This study plan is designed for students taking part in the mentioned Double Degree Program and spending the academic year 2024-25 at Gothenburg.
- The list of courses to be taken abroad may be subject to changes should the academic offer at Gothenburg be amended.
- Interested students are required to read and understand the study plan and its rules. These are to be considered binding to the successful completion of the double degree program. Changes to the study plan are usually not possible. Any request in this sense must be conveyed to the International Development Office and the Academic Coordinator, that will evaluate the request.
- The listed exams must be taken and passed in the academic year indicated in the scheme (not after). Any possible change must be formally authorized by the Academic Commission.
- During the mobility, students will be subject to the rules of the University of Gothenburg.
- At the end of the program, if compliant with both Luiss and Gothenburg academic requirements, students will obtain both the MSc in Innovation and Industrial Management (issued by Gothenburg) and the Laurea Magistrale in Management (issued by Luiss).
- Please consider that attendance is mandatory during the 1st and 2nd semester of the 2nd year at Gothenburg. Special requests from students who would like to have an internship experience will be evaluated by the master program coordinator of Innovation and Industrial Management at the University of Gothenburg who reserves the right to accept the student request analyzing candidates' dossier, the timeline of the proposed internship and the possibility to match the internship experience with the thesis research work.

Thesis

- Students will complete their theses during their mobility period with two supervisors, and it is considered an individual work.
- Both supervisors have to approve the proposal, which must meet the standards of both institutions.
- Students must respect the thesis procedures and deadlines from both institutions.
- Students are reminded that they are required to comply with the Luiss regular procedure regarding the thesis assignment, registration for the degree exam and upload of the thesis. For further information, please check the following page:
<https://www.luiss.edu/students/student-office/masters-degree-programs/assignment-thesis-title-and-degree-exams>.
- Students will present their project in Gothenburg and attend a formal oral defense in person in Luiss.
- The courses at the University of Gothenburg will take place in the fall semester; in the spring term (after the courses have been completed), the students will work on their master project and presentation. The thesis presentation normally takes place in mid-May. In the a.y. 2023/2024 the presentations are planned between 13 and 17 May (<https://cloud.timeedit.net/gu/web/schema/ri1X5052Z710ZvOO22Z567wY0OyOuY97Y05w28n.html>).
- Each institution will grade the final thesis according to its own standards.

Conversion Table

Courses taken at Gothenburg during the a.y. 2024-25 will be transferred to the Luiss degree according to the following conversion table⁴:

Luiss Guido Carli	Gothenburg
30 e lode	A
30	B
29	C
26	D
23	E
Non superato	F

While every effort will be made to provide students with complete, accurate and timely information, Luiss reserves the right to change, amend, modify or revoke the aforementioned program. Luiss is not responsible for any cancellation or modification due to events beyond its control. If the program is cancelled or modified for these reasons, Luiss will inform all interested students in a timely manner.

Published in December 2023.

⁴ Please note that the conversion table may be revised and updated ahead of the mobility in the a.y. 2024/2025 should the distribution of grades at the partner university change.
