Important rules

- This study plan is designed for students taking part in the mentioned Structured Partnership Program and spending the academic year 2024/2025 at the Economics School of Louvain (ESL).
- Interested students are required to read and understand the study plan and its rules. These are to be considered binding to the successful completion of the program.
- During the mobility, students will be subject to the rules of the partner university.
- Selected students are requested to choose the major in Economics at the end of the second year (2023/2024)
- Students participating in this program will not be able to graduate at Luiss in July 2025 but will be able to do so in October/November 2025, provided they pass all exams.
- Exams passed at the partner university during the mobility period will be transferred to the Luiss career according to the Structured Exchange study plan. It is not possible to request an official renounce of the grades' registration.
