For the DD with Nova, Solvay and Tilburg: selected students will spend abroad the 2nd year of the Master's Degree in Economics and Finance, during the a. y. 2025/2026 and will be registered at Luiss

during their stay at the partner university. They will not be required to pay additional tuition fees at the partner university, but they will continue paying fees to Luiss.

For the DD with Fordham: selected students will spend abroad the Summer Term 2025 and will be registered at Luiss during their stay at the partner university. Selected students will be required to pay additional tuition fees to the Fordham University and they will continue paying tuition fees to Luiss.

All expenses related to the participation in the program, notably transport, accommodation and food, administrative expenses, costs associated with securing a visa, medical/health/accident insurance, books and personal expenses, will be borne by students. Furthermore, students must comply with all the regulations of both universities in order to obtain the two Degrees.

Selected students are required to read and understand the relevant study plan and its rules. The study plan and its rules are to be considered binding to the successful completion of the double degree program. Once selected, students are required to carefully read and sign the document “General Understanding on Mobility for Double Degrees and Structured Exchanges”. Exams passed at the partner university during the mobility period will be transferred to the Luiss career according to the DD study plan. It is not possible to request an official renounce for the registration of the grades.

Selected students for the program with Solvay Brussels School of Economics and Management, Tilburg University and Nova School of Business and Economics are eligible for an Erasmus+ grant. The allocation of the grant will depend on the annual fund for Erasmus+ available to the European Commission. Further information on the topic will be shared with students in the summer period (Summer 2025.)

While every effort will be made to provide students with complete, accurate and timely information, Luiss reserves the right to change, amend, modify or revoke the aforementioned program. Luiss is not responsible for any cancellation or modification due to events beyond its control. If the program is cancelled or modified for these reasons, Luiss will inform all interested students in a timely manner.

2.4 Language requirements

2.4.1 English language certifications

The English-language certificates must not be older than two years from the start of the mobility period (1 September 2025). For the selection process of this call, the English level achieved in the admission test will not be considered.

If a Luiss student does not possess an English language certification issued by the Luiss Language Center (CLA) nor one of the requested certificates, the student has the possibility to take an ad hoc, free of charge test at the Accademia Linguistica Trinity School di Roma (Via dei Mille, 35) by 21 January 2025. To register, please send an email to the CLA at cla@luiss.it no later than 13 January 2025, by 1.00 P.M. Please cc into your email the International Development Office using international@luiss.it. During the registration process, students might opt for taking the test either in person at the Trinity School or online on the dedicated platform, with a final Skype interview for the oral assessment. Thus, students who have not a Skype account yet, are invited to create it in advance. For further information about the test and the language level as stated by Luiss please contact the CLA (cla@luiss.it) by January 13.

Students not eligible to take the ad hoc test mentioned above but interested in submitting a certificate issued by the Trinity School are allowed to do so but must note that this is a fee-paying assessment test, which shall be reserved autonomously by the student. The test can be taken at any moment before the application deadline. The test is available also for students holding other language certificates and/or a CLA language level.

4.1. Compatibility among DD Programs

Eligible students have the option to apply to all DD Programs included in this Call for Applications. Applicants have the opportunity to apply for one to four options, but it is not mandatory to apply for all available options. We encourage applicants to apply only for the programs they have a real interest in and for which all requirements are met.

Applicants will be required to rank their preferences during the application process.

Students that have been selected for one of the DD included in their list of preference will be automatically removed from the selection procedures of the other DD programs.

⁴ Students are required to carefully read the “Application Instructions” published in the program webpage.

Students who are not selected for any DD program can remain on the waiting list for multiple DDs. If they are offered a place from any waiting list (regardless of their preference) and they confirm their participation, they will then be removed from all other waiting lists.

Refusal or failure to confirm selection for the DD program will result in the applicant's official withdrawal from all the DD programs in this call.

Students who have already been selected for a DD during the final year of the Bachelor's degree cannot apply to these programs.

4.2 Compatibility with QTEM program

Eligible students are allowed to apply to this Call for Applications and to the [QTEM program](#)⁵. Should they be selected and confirm their participation to QTEM within the established deadline, they will be automatically excluded from the DD programs they have applied for.

If selected students do not confirm or refuse their participation to QTEM they will remain eligible for the DD they have applied for.

4.3 Compatibility with the International Student Exchange program

Eligible students are allowed to apply to the programs included in this Call and for the International Student Exchange program.

Students applying to both Calls who will be selected for a DD must confirm their participation to the DD within the established deadline as detailed in paragraph "Acceptance".

If selected students confirm their participation to the DD, they will be automatically excluded from the selection for the International Student Exchange program and will be removed from the candidates list.
